CAPABILITY STATEMENT:

- **Company Overview**

Verbiage Connect LLC is a therapist-owned practice delivering high-quality speech and language services through school-based contracts. With over a decade of experience in public schools, charter schools, clinics, and tele-practice, we bring specialized knowledge in literacy-focused intervention, virtual therapy models, and compliant documentation in general and special education settings.

Core Competencies

- Comprehensive speech-language evaluations (articulation, language, fluency, voice).
- Individual and group therapy via tele-therapy.
- IEP goal development, progress monitoring, and data collection.
- Collaboration with IEP teams, teachers, and support staff.
- Secure service delivery using HIPAA/FERPA-compliant Zoom (BAA signed).
- Experienced with diverse populations and culturally responsive practices.

Differentiators

- **No Third-Party Recruiters** – Direct-to-district contracting ensures transparent communication and cost efficiency.
- **Therapist-Owned & Operated** – Services overseen by a certified, licensed SLP.
- **Tailored Student-Centered Approach** – Supports both general and special education students, including those in self-contained classrooms.
- **Flexible Delivery Models** – Virtual services with the option for periodic onsite visits for evaluations (where applicable).
- **Quick Start-Up** – Minimal onboarding time; adaptable to your district's systems and workflow.
- **Equity-Focused Services** – Committed to inclusive access and equitable outcomes for all learners.

Past Performance

- Contributed professional materials (e.g., slide decks, handouts, guides) for district-led professional development for school districts new to virtual therapy.
- Successfully partnered with public and charter schools across multiple states.
- Delivered services across grade levels (elementary through high school).
- Maintained IDEA compliance and supported timely IEP implementation.
- Proven success in improving student outcomes through consistent, individualized intervention
